Outside aid/scholarships will reduce the self-help portion of your financial aid award (work study/subsidized loans) before the Tufts grant. Outside aid rarely reduces a student’s family contribution. If you receive a federal Pell grant or a state scholarship not already on your Financial Aid Award, your Tufts grant will be reduced by a corresponding amount. Please visit our website for full details: [http://uss.tufts.edu/finaid/](http://uss.tufts.edu/finaid/).

When adjusting your aid award, do you prefer the reduction from loan___ or work study___?  
(Note: work study is not credited to your student account)

If you choose to reduce your loan, Tufts will first reduce the Perkins or Tufts Loan, then the Federal Direct Subsidized Loan. In general, outside aid cannot reduce Federal Direct Unsubsidized Loans.
