

Tufts University

Biotechnology Second Major (Science Track)

Student:

ID#:

Core Courses (5)			
Course	Semester	Grade	Double counted?
Bio 13 or ES 11			
Bio 41			
BME/CHBE 62			
Bio 105			
Bio 152 or BIO 171			

Laboratory Course (1)			
Course	Semester	Grade	Double counted?
CHBE 163 or 168			
BME 175 or			
Bio 50			

Elective Courses (4)			
Course	Semester	Grade	Double counted?

No more than half the courses used to fulfill the requirements for one concentration may be used to satisfy the requirements for a second major.

Four electives from:

Biology 103 Developmental Biology

Biology 104 Immunology

Biology 106 Microbiology

Biology 153 Topics in Biochemistry

Biology 177 Topics in Inflammation

Biology 184 Topics in Developmental Biology

Chemical and Biological Engineering 160 Biochemical Engineering

Chemical and Biological Engineering 161 Protein Purification

Chemical and Biological Engineering 164 Biomaterials and Tissue Engineering

Biomedical Engineering 165 Drug Delivery

Chemistry 135 Biophysical Chemistry
