This year the Tufts Career Center hit all-time highs for student satisfaction, student and alumni usage, and students’ post-graduate success.

- 83% of the 1,002 members of the Class of 2015 who rated the Career Center were satisfied overall (compared to 32% in 1998)
- Individual coaching appointments have doubled over the last decade
- Our focus on early engagement resulted in more appointments with first years and sophomores (92% increase over last 5 years)
- 27% of unique student appointments identify as racially/ethnically diverse
- Modeled after Engineering and Finance, we launched an Academic Liaison Program, collaborating with 7 departments to provide customized programs for their majors

Satisfaction rates continue to increase while usage rates have doubled.
