1. I am an applicant for the Tufts Programs Abroad in either Chile, China, Ghana, Hong Kong, Japan, London, Madrid, Oxford, Paris, or Tübingen (hereinafter “the Program”) offered by Tufts University (hereinafter “Tufts”). I understand that the Program includes travel, living, and study in foreign countries and can involve risks of injury, death, loss of or damage to personal property, accident, delay, and expense resulting from participation in the Program, including, but not limited to, the use of any vehicle, the occurrence of strikes, war, insurrection, crime, governmental restrictions or regulations, disease or infection, weather conditions, limited medical care, the acts or omissions of any water carrier, airline, railroad, bus company, taxi service, hotel, restaurant, school, university, or any other firm, agency, company, or individual, and periods of unsupervised travel. I further understand that each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use, and behavior. I recognize that behavior which violates those laws or standards could endanger my health and safety.

2. I have weighed the dangers inherent in foreign travel and study, the risks presented to my own health and well-being, and my personal desire to further my educational experiences by traveling and studying in a foreign country. I have concluded that the risks are acceptable and are outweighed by my desire to participate in the Program.

3. In consideration of Tufts permitting me to participate in the Program, I hereby waive and release any rights against Tufts, its trustees, agents, employees, and representatives to file a claim, demand or cause of action of any kind or nature whatsoever related to or arising out of my participation in the Program and I further agree to defend, indemnify, and hold harmless Tufts, its trustees, agents, employees, and representatives from any obligations or liabilities for which Tufts may become liable as the result of damage, death, or injury to the person or property of others while participating in the Program.

4. During my participation in the Program, I hereby grant Tufts, its employees, and agents full authority to take whatever actions they may consider to be warranted under the circumstances regarding the protection of my health and safety, and I hereby release each of them from any liability, claims, demands, or causes of action of any kind or nature whatsoever, arising or resulting from any such decisions, actions, or omissions. The authority granted in the preceding sentence shall include the right to place me, at my own expense, in a hospital, or if no hospital is readily accessible, to place me in the hands of a local medical doctor for treatment. If it is deemed necessary or desirable by Tufts, its employees, or agents, I authorize them to transport me back to the United States, by commercial airline or otherwise, at my own expense, for medical treatment. I have arranged, through insurance or otherwise, to meet any and all needs for payment or medical costs while I participate in the Program. I understand that neither Tufts nor the Program has responsibility or liability, and I agree to hold Tufts and the Program harmless, for independent travel undertaken by me before the Program begins, after it ends, or on semester breaks, holidays, or weekends. Nevertheless, the Program may restrict or urge reconsideration of independent travel based on current health or safety concerns.

5. In the event that Tufts, its employees, or agents shall advance or loan any monies to me or shall incur expenses on my behalf, while I am a participant in the Program, I hereby agree to repay any such advances, loans, or expenses immediately upon my return to the United States.
6. I hereby agree to comply with all rules, standards and instructions relating to student behavior which are promulgated by Tufts or the host college. I agree that Tufts, its employees and agents shall have the right to enforce appropriate standards of conduct, and that Tufts may, at any time, terminate my participation in the Program in the event of failure to abide by any such standard of conduct. If my participation in the Program is so terminated, I agree to return to the United States immediately thereafter, at my own expense, and Tufts shall be under no obligation to refund any portion of the fees and other charges which have already been paid or to afford me any credit against fees and charges which have accrued but have not then been paid.

7. When participating in group tours or other activities arranged by Tufts, I agree to accept the will of the majority whenever a matter of choice is presented to the group. I will also accept in good faith the supervision and instruction of Tufts or their agents (including the resident director) in all matters relating to the Program including the personal conduct of Program participants.

8. I understand that, from time to time, Tufts’ publicity materials may include statements by and/or photographs of Program participants and I hereby consent to such use of my comments or photographic likeness.

9. I hereby acknowledge that Tufts reserves the right to make cancellations, substitutions, or changes in the Program. In addition, I understand that Tufts’ fees are based upon costs currently in force and are subject to change. I agree that, if I leave the Program for any reason after the Program has begun, there will be no refund of any fees or charges already paid or any credit for fees and charges accrued but not paid.

10. All references to Tufts in this agreement shall include the trustees, officers, directors, staff members, campus directors, chaperons, group leaders, employees, agents and affiliates of Tufts, as the case may be.

11. I hereby acknowledge that I have read the terms of conditions set forth in the Release and Agreement for Tufts Programs Abroad, the Agreement Not to Use Motor Vehicles or Bicycles (where applicable), and the Tufts Programs Abroad brochure and I understand that the Agreement and the brochure constitute the entire agreement between Tufts and myself.

12. The Agreement shall be construed in accordance with the laws of the Commonwealth of Massachusetts.
