Bipartite Resource - Tufts Career Networking Group on LinkedIn
The Tufts Career Networking Group on LinkedIn is a new way for students to seek career advice and support. Members include Tufts students, alumni, faculty members, administration and family & friends of Tufts. Moderated by the Tufts Career Center, this group is a great place to set up informational interviews, conduct company research and get information related to your job/internship search.

Review the following pages in the networking section of our website for detailed instructions and best practices:

Build a LinkedIn Profile | Using LinkedIn | Join Tufts LinkedIn Groups | Professional Email Etiquette
Social Media Guidelines | Informational Interviews

Schedule a meeting with a career advisor for more networking tips and guidance.
