WELCOME, CLASS OF 2020, SMFA AT TUFTS, AND TRANSFER STUDENTS!

Tufts Undergraduate Orientation is a week designed to show you what Tufts has to offer. This week marks the beginning of an important journey you will never forget. On this hill, you will find professors who will inspire you, build friendships that will stay with you forever, and create memories to treasure for life. The Tufts experience is about growing as an individual and as a member of the larger campus community. During Orientation, you will learn about some of the University’s most important lessons and traditions. This week is also about making connections. Take the time to connect with your peers, your advisors, and your University. Some of the bonds that begin here are sure to last throughout your time at Tufts and even long after. Welcome to the Hill!

During Orientation, you will . . .

• learn about what Tufts University has to offer;
• meet with Orientation Leaders who will introduce you to university resources and answer your questions;
• form friendships with your peers and learn more about yourself in the process;
• collaborate with your academic advisor to assess your academic skills and prepare for the responsibility of making choices about your education;
• meet with faculty and staff members and explore the breadth of your educational opportunities;
• learn about the many co-curricular activities offered by Tufts’ student organizations and athletics programs.

This calendar lists all events and activities happening during Orientation week. Please take some time to review the calendar and make note of the events you will be attending. While all programs are important, many of the programs are mandatory. All mandatory programs are highlighted with a [SHADOW BOX]. Some programs are specific to certain groups and will be marked with the respective icons, Engineering [ENGN], Arts and Sciences [A&S], Transfer [TRSF], SMFA [SMFA], SMFA Dual Degree [DUAL], and Open to All Students [ALL]. Certain programs are designated by group number. Please bring your Tufts ID to all mandatory events. Descriptions of all programs are listed in the glossary at the end. For the most up-to-date information and schedule, please download the app, Tufts Mobile.

Orientation reflects what your life at Tufts will be:
Intellectually stimulating and rich in experience.

Have a great week!

**HAVE A GREAT SEMESTER!**
A Cappella Orientation Concert
Songs for every taste, combining the traditional and contemporary, presented by Tufts’ many a cappella groups: the Amalgamates, Beelzebubs, Enchanted, Essence, Jackson Jills, S-Factor, Shir Appeal, and sQ!

Academic Essentials
Meet your Academic Deans and College Transition Advisors (CTAs), who will discuss ideas to keep in mind as you plan your first semester program, including graduation requirements. You will hear about how to explore your options without closing doors on potential majors and how to utilize the Academic Resource Center and view a walkthrough of the online registration process.

Academic Integrity Workshop
All entering students must attend one of the workshops offered. As college students, you are entering an intellectual community with high expectations about your abilities to synthesize, summarize, and cite research in your writing. Join in a lively, interactive discussion with Tufts Writing Fellows about how to use sources wisely and avoid dangerous pitfalls. If your appointment with your advisor is at the time your group is assigned to attend, meet with your advisor and attend a different session.

Art Gallery
The Tufts University Art Gallery is located in the Aidekman Arts Center at 40 Talbot Avenue. Please make sure you stop by for a visit after the gallery opens on September 14. The Gallery hours are Tuesday through Sunday from 11:00 a.m. to 5:00 p.m. and Thursday from 11:00 a.m. to 8:00 p.m. Information can be found at www.artgallery.tufts.edu.

Bike Trips with Tufts Mountain Club and Tufts Bikes
Join us on Sunday for a two-mile bike ride to the Middlesex Fells, a local nature preserve, to hike and enjoy the outdoors! Alternatively, meet with us on Monday for a bike ride to nearby Mystic Lake for a midday swim! No experience necessary for either event. Bicycles and helmets will be provided by Tufts Bikes; those with their own equipment are also encouraged to join. Pre-registration is required for all participants in both events (even those with their own bicycles) through www.tuftsmountainclub.org.

Be the Change!
Community service, politics, activism, advocacy, social entrepreneurship: whatever your interest, Tufts has a plethora of opportunities for you. Learn about the Tisch College of Citizenship and Public Service, meet student change makers, and begin to get involved. Explore the ways you can create change as an individual and the collective impact you can have working together. Discover research opportunities and courses that will connect your academic interests to solving real world problems. Whatever your passion (or if you haven’t yet discovered it), you will be inspired to make a difference.

Bookstore VIP Night
Worrying about your first year at Tufts? Jumbo doesn’t worry and neither should you! Come meet with Bookstore staff and let them calm your nerves by answering your questions about textbooks and other first-year essentials. Enjoy free food, music, and performances by Tufts TURBO and B.E.A.T.S!
Comedy O-Show
Enjoy a few laughs and get to know the Tufts comedy scene at this show featuring sketch and improv comedy, children’s theater, and even mime! Performances by Major: Undecided, Cheap Sox, Traveling Treasure Trunk, The Institute, and HYPE!

Common Reading Program Book Club Discussion
Love talking about books? Want to connect with others who love books over coffee and dessert? Join the Tufts University book club discussion of the Class of 2020 Common Reading program selection *Lives in Limbo: Undocumented and Coming of Age in America*. Meet new friends and reflect on the book that the whole campus community will be engaging with all semester leading up to the author visit on October 6. This will be a great opportunity to debrief this powerful book and learn more about this important topic in a casual, social space. All are welcome regardless of whether or not you have completed the book. For questions, please contact Nino Testa at Nino.Testa@tufts.edu or Zachary Cole at Zachary.Cole@tufts.edu

Crafts Center Open House
Join members of the Crafts House at the Crafts Center (located between Lewis Hall and Tilton Hall) to tie dye a shirt! The Crafts Center is a student-run arts and crafts makerspace, providing students with materials, space, and community dedicated to creativity and personal expression. Crafts Center is staffed throughout the year by friendly student volunteers, many of whom live in the Crafts House, a cooperative living and learning household located on the Tufts Medford campus. We are an anti-oppressive community of activists, artists, musicians, engineers, creators, innovators and scholars. Come get crafty with us on Sunday!

Dance Program Orientation & Movement Sampler
Meet dance faculty members and find out about dance program courses, dance level placement, and performance opportunities. Wear loose clothing for a short movement and stretch session designed for all levels. The session includes concert video excerpts and individual time for questions.

Dinner for Incoming Catholic Students and Friends
Come share dinner and meet the Catholic Chaplain Lynn Cooper, A’02, and the Catholic Community at Tufts. Meet returning student leaders and bring your questions, ideas, and gifts. All are welcome.

Engineering Internal Transfer Session
Topics to be covered include: the application process, internal transfer policy and procedures, assessment of pre-matriculation credits, as well as Fall course selection. Facilitated by College Transition Advisor (Engineering), Eliza Yuen and Associate Dean of Undergraduate Advising for the School of Engineering, Dean Jennifer Stephan.
