EDU/PREORIENTATION
It is our pleasure to welcome you to the Jumbo community! We look forward to seeing you on campus in September and assisting you in your transition to life at Tufts. In addition to the mandatory Undergraduate Orientation, which runs September 2–7, 2020, Tufts offers eight optional Pre-Orientation programs. These programs, occurring the week leading up to Matriculation, are a great opportunity to get involved on campus early, meet upper-class leaders and mentors, gain valuable leadership skills, and meet other students with similar interests before Orientation officially begins.

Each of the programs has a unique mission and feel, so look through this brochure and the program websites to find out if participation in a Pre-Orientation program is right for you. There is a cost associated with participation in Pre-Orientation. Financial assistance is available for those who qualify.

We look forward to seeing you in August!

Sincerely,
Undergraduate Orientation Office
