

Cross-Registration Policies and Petition For Tufts University Students

Students who are currently enrolled full time at Tufts University may cross-register within the university or at certain other institutions (listed below), with appropriate approvals. The schools with which we have consortium agreements are Boston College, Boston University, and Brandeis.

The course must be taken for credit and may not be taken with pass/fail grading. The student must abide by all deadlines of the host institution and all requirements of the cross-registered class, including attendance.

Grades will be forwarded to Tufts by the host institution at the conclusion of the semester.

Students are limited to one cross-registered course in a single full-time semester, with the exception that full-time graduate students at Tufts may take two classes in a single semester at the Fletcher School of Law and Diplomacy or the Friedman School of Nutrition.

Cross-registration is not available during summer semesters.

Dropping or Withdrawing From a Cross-Registered Course:

Students wishing to drop or withdraw from a cross-registered course must follow the procedures and deadlines of the host institution.

Note: Failure to drop the course properly may result in a negative notation on your transcript. After taking the appropriate steps, check your SIS record to be sure the change has been recorded.
