Wherever you are in the career planning process, the Career Center is here to help you along the way. The majority of seniors meet with us several times over the course of the year. You don’t have to know what you want to do to speak with a Career Advisor—we will help you clarify your career objectives and develop an action plan. This checklist will help you prepare for success after graduation.

- **Watch the Senior Q&A Video** for answers to questions commonly asked by seniors.
- **Explore the Career Center website** for helpful online resources at careers.tufts.edu.
- **Update your resume** and profile on Jumbo Jobs. Search for jobs, fellowships, post-grad internships, research opportunities, and recruiting events.
- Check out the Fellows & Service and Rotational Programs pages to learn about short-term work and leadership development opportunities for after graduation.
- **Join LinkedIn** and the Tufts Career Networking Group on LinkedIn. Use the “Find Alumni” feature to set up informational interviews. Review the Tufts LinkedIn Guide for tips on creating your profile and using LinkedIn effectively.
- **Follow us on Twitter** (@TuftsCareer) and on Facebook (Tufts Career Center) for interesting job postings and career advice. (Add the blog, too.)
- **Read our weekly eNewsletter**, sent directly to your Tufts email, highlighting on-campus interview and resume drop deadlines as well as upcoming on-campus and local events.
