Please complete this form, and return it with your Degree Sheet to the Degree Audit Coordinator in Dowling Hall.

As undergraduates, students in this combined degree are required to take 4 graduate courses that will count towards the MPH degree

- 2 of these graduate courses double count towards both degrees.
- 2 of these graduate courses count only for the MPH degree.

**All 4 of these courses will be listed on the MPH transcript as transfer credits. The grades attached to these courses will not factor into the overall MPH GPA.

Students should list the two courses that will double count towards both the BA/BS and MPH degree here:
