The Africana Center, working collaboratively with Career Services, has developed the Ready to Go Toolkit which is designed to provide you with opportunities to practice the interview and job search techniques and skills that you will learn through Career Services programs and events.

I encourage you to take advantage of all the resources that are available to you at Tufts. By doing this, you will find that your future is ready for you—and you will be Ready to GO!

Sincerely,
Katrina Moore

SENIOR YEAR: Choice

You are ready to take the steps that will open the door to your career or graduate education.

- Meet with a Career Counselor to form a clear career objective and develop an action plan.
- Continue your market research through informational interviews, using the Tufts Career Network and your own circle of acquaintances to arrange meetings with individuals who can offer insights and information.
- Attend career programs specifically for Seniors on the job search and transitioning to life after Tufts.
- Attend Tufts Career Fair and others in the region to network with employers.
- Login to Tufts Career Connect (TCC). Update your profile, upload a resume, and search for jobs and internships.
- Monitor campus recruiting opportunities.
- Determine graduate school requirements, from standardized tests to essays and recommendations, and develop a timeline for applying if applicable.
- Apply for jobs through Tufts Career Connect, the campus recruiting program, as well as the recruiting consortia events in NYC and DC.
- Use online resources, such as: Vault, Career Search, and Wet feet.
- Sharpen your interviewing skills by practicing with a Career Counselor.
- Follow up on all interviews with thank you notes and keep a record of the status of each job application.
- Evaluate job offers and consider the resources of Career Services for help in interpreting and negotiating offers.
- Consult with career counselors about your résumé, job search skills, and interviewing skills.
