WELCOME NEW STUDENTS
Welcome to the Hill

In the 1840s, the Universalist Church wanted to open a college in New England. Boston businessman Charles Tufts gave the church a gift of 20 acres of land on the condition it be used for establishing a college. With that, the location was decided. Tufts’ land was located on one of the highest hills in the Boston area, Walnut Hill, straddling Medford and Somerville.

As local lore has it, when a relative asked Charles Tufts what he would do with his land, and more specifically with “that bleak hill over in Medford,” Tufts replied, “I will put a light on it.” In 1855, a toast to the new Tufts College was offered in Faneuil Hall. Hosea Ballou II, the college’s first president, remarked, “For if Tufts College is to be a source of illumination, as a beacon standing on a hill, where its light cannot be hidden, its influence will naturally work like all light; it will be diffusive.”

In a physical representation of Charles Tufts and Hosea Ballou II’s hopes for the college, all incoming students participate in a candlelighting ceremony on the President’s lawn. This ceremony takes place twice during their time at Tufts—during Orientation and before graduation. The experience symbolizes the sharing of knowledge that each student will take part in during their time at Tufts University and within their own communities.
WELCOME NEW STUDENTS!

Tufts Undergraduate Orientation is a week designed to show you the Tufts Experience. This week marks the beginning of an important journey you will never forget. On this hill, you will find professors who will both inspire and challenge you, build friendships that will last a lifetime, and create memories to treasure forever. The Tufts experience is about growing as an individual and as a member of the larger campus community. During Orientation, you will learn about some of the University’s most important goals and traditions. This week is also about making connections. Take this time and opportunity to connect with your peers, your advisors, and your University. Some of the bonds that begin here, throughout Orientation, are sure to last throughout your time at Tufts and much long after. Welcome to the Hill!
