Do you need to send your scores?

Reminder: If you "bubbled" a college code on your AP answer sheet this year, your scores will be sent to that college free of charge. If you would like to send score reports to additional colleges, universities, or scholarship programs, you can do so for a fee.

By using this service and providing your credit card you acknowledge and agree that your credit card will be charged. The College Board will not use this card for any other purpose and will not store the credit card number in our system.
