

Outside Scholarship/Financial Aid Reporting Form

Please complete this form and return to the Financial Aid Office as soon as you receive notification of any outside scholarships received. You may submit more than one form if necessary. If you will not receive any outside scholarships/financial aid, do not submit this form.

If your scholarship(s) will be sent directly to Tufts and you would like an expected credit for the scholarship placed on your student account, please attach documentation from the scholarship donor regarding the amount and the disbursement date of the award.

STUDENT NAME _____ TUFTS ID # _____

Please list any outside scholarship prizes, loans, or gifts awarded (Do not list any aid awarded by Tufts that is shown on your Financial Aid Award).

Name	Amount	Paid in full or by semester?	Check mailed to student or Tufts?	# of years renewable	Conditions?
<i>Lions Club (example)</i>	<i>\$2000</i>	<i>\$1000 per semester</i>	<i>student</i>	<i>4</i>	<i>GPA 3.0 or greater</i>

Outside aid/scholarships will reduce the original self-help portion of your financial aid award (work study/ subsidized loans) before the Tufts grant. Outside aid rarely reduces a student's family contribution. If you receive a federal Pell grant or a state scholarship not already on your Financial Aid Award, your Tufts grant will be reduced by a corresponding amount. Please visit <http://go.tufts.edu/finaidpolicies> for full details.

When adjusting your aid award, do you prefer the reduction from loan ___ or work study ___ ?
 (Note: work study is not credited to your student account)

If you choose to reduce your loan, Tufts will first reduce the Tufts Loan, then the Federal Direct Subsidized Loan. In general, outside aid cannot reduce Federal Direct Unsubsidized Loans.
