2021-22 Sibling Verification Form

Deadline: September 15th, 2021

You indicated that a sibling(s) will be pursuing an undergraduate degree or certificate at a Title IV eligible institution at least half-time during the 2021-22 school year. The number of siblings enrolled at an eligible college impacts your eligibility for financial aid. To verify this information, we need to confirm the enrollment for each sibling with this form. Alternatively, you may request an Enrollment Verification Letter from your sibling's school. *If this form or enrollment verification is not received by September 15th, we will assume that your sibling is not enrolled and your financial aid will be reduced accordingly.*
