

Student IRS Verification of Non-Filing Letter 2020-2021

The IRS Verification of Non-Filing Letter is required for independent students selected for FAFSA verification who did not file a 2018 Federal Income Tax Return. The letter, obtained from the IRS, provides confirmation that the IRS has no record of Form 1040 for the year requested. The Verification of Non-Filing Letter is available [here](#).

The verification of non-filing requirement also applies to tax filers subject to a foreign tax authority. Contact the foreign tax authority for a letter similar to the IRS Verification of Non-Filing.

Complete this form only if one of the certification statements apply.
