## LYFT PROGRAM

**Through the generous contribution of the Lainoff/ Kincaid family, Tufts University has partnered with the rideshare app Lyft!**

**Students with documented disabilities, who are registered with the StAAR Center and approved for a transportation accommodations may now utilize Lyft to assist them as they navigate campus and their Tufts-sponsored academic activities.**

### Who is eligible?

- Arts & Sciences, School of Engineering and Fletcher students.
- Undergraduate & graduate students.
- Students w/ a documented disability.
- Students who are registered w/ the StAAR Center.

### Where and when?

- Lyft Program provides rides to students within a 1-mile radius of campus. This can include rides to public transportation.
- Anytime students needs transportation to/from classes or other pre-approved Tufts-sponsored academic activities.

### What else to know?

- The length of time a student has access to the Lyft Program will vary for depending on their disability and need for services.
- Student may bring friends w/ them on a ride, though they may not share their access code w/others .
- Ride use, including location of rides and frequency, will be monitored by Tufts Public Safety.
- Students are required to meet w/ public safety 2 weeks after their first ride, to evaluate the Program's effectiveness in helping them.
- The Lyft Program is designed to help students access pre-approved academic endeavors only. Students who use the program for purposes other than that risk losing access to the service.
