Application for *Tufts in London (UCL)*
Academic Year 2017-18

*In order for an application to be complete, each applicant must submit to the Office of Programs Abroad by February 1, 2017 the following:*

1. The completed ‘Application for Admission’ form (indicating on the front page the specific program- *London, UCL, full-year*- to which you are applying); if completed electronically, the application must be printed and submitted in hard copy, with applicant signature on the last page and adviser signature on the second-to-last page;

2. Students from other universities applying to Tufts Programs Abroad need to include one official transcript of all college work showing fall semester grades (*our office will obtain transcripts for applicants from Tufts*);

3. Two recommendations from faculty (using forms supplied in application packet);

4. The ‘Agreement and Release’ form (signed by both applicant and parent/guardian if applicant is under the age of 21);

5. The UCL “Application for Admission as an Affiliate Student” form, the “Disability and Ethnic Origin Monitoring Form,” and the “Supplementary Information for UCL” form;

6. A non-refundable $40 application fee in check or money order *only* (made payable to “The Trustees of Tufts College” and with your name and the program name written in the ‘Memo’ field; e.g., “Jane Smith - Tufts in London @ SOAS”); cash or credit card are not accepted;

7. A copy of the photo page of a current valid *signed* passport (which must be valid through six months beyond the END of the intended program).

ACADEMIC APPROVAL

TUFTS APPLICANTS

The completed application form should be reviewed and approved by the student’s faculty advisor in the major (or intended major) department prior to submission to Tufts Programs Abroad; this portion of the form should be signed by the advisor during/following a meeting to discuss the study-abroad program and its impact on the student’s progress toward completion of major and degree requirements. (Engineering students should have their applications reviewed by the department chair.)

Please check appropriate boxes:

___ I am familiar with the applicant’s academic progress and believe that their training and intellectual interests are such as to qualify them to profit by participating in the Tufts Programs Abroad.

___ I recommend the applicant with respect to character and personality for admission to the Tufts Programs Abroad.

___ I have discussed the proposed study-abroad program with the applicant and approve it as consistent with their concentration and degree requirements, subject to the following conditions and reservations. (Please indicate whether courses may be used toward the concentration requirement.)

AGREEMENT AND RELEASE

TUFTS PROGRAMS ABROAD
TUFTS UNIVERSITY
MEDFORD, MASSACHUSETTS 02155
(Chile, China, Ghana, Hong Kong, Japan, London, Madrid, Oxford, Paris, and Tübingen)

Notice: This is a two-page document. All pages contain important terms and conditions which affect your legal rights. READ BOTH PAGES CAREFULLY BEFORE SIGNING.

1. I am an applicant for the Tufts Programs Abroad in either Chile, China, Ghana, Hong Kong, Japan, London, Madrid, Oxford, Paris or Tübingen (hereinafter “the Program”) offered by Tufts University (hereinafter “Tufts”). I understand that the Program includes travel, living and study in foreign countries and can involve risk of injury, death, loss of or damage to personal property, accident, delay and expense resulting from participation in the Program, including, but not limited to, the use of any vehicle, the occurrence of strikes, war, insurrection, crime, governmental restrictions or regulations, disease or infection, weather conditions, limited medical care, the acts or omissions of any water carrier, airline, railroad, bus company, taxi service, hotel, restaurant, school, university, or any other firm, agency, company or individual and periods of unsupervised or independent travel. I further understand that each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use and behavior. I recognize that behavior which violates those laws or standards could endanger my health and safety.

2. I have weighed the dangers inherent in foreign travel and study, the risks presented to my own health and well being, and my personal desire to further my educational experiences by traveling and studying in a foreign country. I have concluded that the risks are acceptable and are outweighed by my desire to participate in the Program.

3. In consideration of Tufts permitting me to participate in the Program, I hereby waive and release any rights against Tufts, its trustees, agents, employees and representatives to file a claim, demand or cause of action of any kind or nature whatsoever related to or arising out of my participation in the Program and I further agree to defend, indemnify and hold harmless Tufts, its trustees, agents, employees and representatives from any obligations or liabilities for which Tufts may become liable as the result of damage, death or injury to the person or property of others while participating in the Program.

4. During my participation in the Program, I hereby grant Tufts, its employees and agents full authority to take whatever actions they may consider to be warranted under the circumstances regarding the protection of my health and safety, and I hereby release each of them from any liability, claims, demands or causes of action of any kind or nature whatsoever, arising or resulting from any such decisions, actions, or omissions. The authority granted in the preceding sentence shall include the right to place me, at my own expense, and without further consent, in a hospital, within or outside the United States, for medical services and treatment, or if no hospital is readily accessible, to place me in the hands of a local medical doctor for treatment. If it is deemed necessary or desirable by Tufts, its employees or agents, I authorize them to transport me back to the United States, by commercial airline or otherwise, at my own expense, for medical treatment. I have arranged, through insurance or otherwise, to meet any and all needs for payment or medical costs while I participate in the Program. I understand that neither Tufts nor the Program has responsibility or liability, and I agree to hold Tufts and the Program harmless, for independent travel undertaken by me before the Program begins, after it ends, or on semester breaks, holidays, or week-ends. Nevertheless, the Program may restrict or urge reconsideration of independent travel based on current health or safety concerns.

5. In the event that Tufts, its employees or agents shall advance or loan any monies to me or shall incur expenses on my behalf, while I am a participant in the Program, I hereby agree to repay any such advances, loans, or expenses immediately upon my return to the United States.
6. I hereby agree to comply with all rules, standards and instructions relating to student behavior which are promulgated by Tufts or the host college. I agree that Tufts, its employees and agents shall have the right to enforce appropriate standards of conduct, and that Tufts may, at any time, terminate my participation in the Program in the event of failure to abide by any such standard of conduct. If my participation in the Program is so terminated, I agree to return to the United States immediately thereafter, at my own expense, and Tufts shall be under no obligation to refund any portion of the fees and other charges which have already been paid or to afford me any credit against fees and charges which have accrued but have not then been paid.

7. When participating in group tours or other activities arranged by Tufts, I agree to accept the will of the majority whenever a matter of choice is presented to the group. I will also accept in good faith the supervision and instruction of Tufts or their agents (including the resident director) in all matters relating to the Program including the personal conduct of Program participants.

8. I understand that, from time to time, Tufts’ publicity materials may include statements by and/or photographs of Program participants and I hereby consent to such use of my comments or photographic likeness.

9. I hereby acknowledge that Tufts reserves the right to make cancellations, substitutions, or changes in the Program. In addition, I understand that Tufts’ fees are based upon costs currently in force and are subject to change. I agree that, if I leave the Program for any reason after the Program has begun, there will be no refund of any fees or charges already paid or any credit for fees and charges accrued but not paid.

10. All references to Tufts in this agreement shall include the trustees, officers, directors, staff members, campus directors, chaperons, group leaders, employees, agents and affiliates of Tufts, as the case may be.

11. I hereby acknowledge that I have read the terms of conditions set forth in the Release and Agreement for Tufts Programs Abroad, the Agreement Not to Use Motor Vehicles or Bicycles (where applicable), and the Tufts Programs Abroad brochure and I understand that the Agreement and the brochure constitute the entire agreement between Tufts and myself.

12. The Agreement shall be construed in accordance with the laws of the Commonwealth of Massachusetts.

Signed on this____________________day of_________________, 20_______.

Tufts in London at UCL

Tufts in London is a full-year, fully integrated, study abroad program. You will become a registered UCL student and have access to every resource available to every other UCL undergraduate. In addition, the Tufts-in-London program offers support, events and resources exclusive to Tufts-in-London students. Tufts is in fact the only university to have an office on the UCL campus. A full academic year in London sounds like a daunting prospect, but returning Tufts students, almost without exception, say that a year is the only way to get the full experience and benefits of living and studying in a foreign country.

The best place to find information about life and programs at UCL is their website and Study Abroad Guide. Copies of this guide are available in the Programs Abroad office, or online. Links are listed below:

The “Study Abroad Guide” has information on student life and a PDF of the Study Abroad Guide, which lists the departments and courses available to you: www.ucl.ac.uk/sag

“Before you apply” contains useful information on British educational system, and language requirements and living in London: www.ucl.ac.uk/prospective-students/international-students/before-you-apply

Academic Department listings: www.ucl.ac.uk/departments/a-z/

“Living in London”, UCL’s guide to making the most of the city: www.ucl.ac.uk/prospective-students/study-abroad-ucl/study-abroad-guide/living-in-london

ACADEMICS

Tufts-in-London students are formally admitted to UCL through a specific department or (optionally) through two departments (“joint admission”). While regular British students must take all their course work in the department through which they are admitted, UCL understands that most Tufts students wish to fulfil Liberal Arts requirements as well. Therefore, Tufts students at UCL are expected to take at least half their course load (4 courses out of 8) in the department admitting them (and at least two courses in their second department, if joint admission is chosen). This leaves you with 4 “electives” if applying to a single department; 2 “electives” if applying to a second (joint) department.

NOTE: Although all courses taken at UCL will automatically count for credit towards your Tufts degree, you may need to petition for a UCL course to count for distribution, culture, world civilizations or major requirements. Check with the Programs Abroad office, as some courses have previously been approved. To find out if a course will count for major credit, consult your major advisor and, if appropriate, submit a request for equivalence through SIS: http://go.tufts.edu/sis

Most courses at UCL are classified as 1000, 2000 or 3000 level, corresponding to the three year degree program. Rule of thumb is that you will be most comfortable in the 2000 level classes. 1000 level are introductory, but keep in mind that they are introductory for students already specializing in that subject. 3000 level courses will be equivalent to graduate/100 level classes at Tufts. You will work with your affiliate tutor at UCL to determine the most suitable level classes for you.

Studying at UCL (or at other UK universities) can be a very different experience. Courses are less structured than at Tufts, and require much more self-guidance. Be prepared for less feedback, and to take your own initiative. If you have any questions about this, talk to Melanie or Simon (contact info below).
APPLICATION INFORMATION FOR SPECIFIC AREAS OF STUDY AT UCL

To find out more information on the departments and courses that interest you, consult the UCL Study Abroad Guide. In addition to the information in the guide, here are some special cases:

ARCHITECTURE
Architecture at UCL is studied through the Bartlett School of Architecture. The Bartlett School is a professional school and students wishing to be considered for admission must submit a portfolio of design work. Applicants must take their entire load (8 courses) at the Bartlett. If you’re interested in Architectural History, then take a look at the History of Art department instead.

FINE ART
The Slade School of Art at UCL is, like the Bartlett, a professional school. Students wishing to be considered for admission must submit a portfolio of work. Applicants must take their entire load (8 courses) at the Slade. If you’re interested in art in general, consider History of Art.

ECONOMICS
If you wish to take advanced (above intro level) Econ classes, then you need to be admitted into the Econ department. It is very important to talk to the Tufts Economics department when selecting your courses at UCL. If you are applying to the Economics Department at UCL, you should have a 3.5 GPA minimum and “A” grades in all related courses.

ENGINEERING
UCL has excellent engineering departments and many engineering students have successfully completed the UCL program in recent years. However, because of the full-year nature of the Tufts-in-London program, it is very important that you start preparing for your year abroad well in advance and that you work closely with your Tufts advisor at every step.

ENGLISH
You must be admitted to the English department to take departmental courses. However, Tufts in London employs its own English tutor (a University of London professor) who can offer English literature courses to students not in the English department. At UCL, English means English literature. The English program will not include Creative Writing or Drama (performance).

INTERNATIONAL RELATIONS (IR)
IR majors have several departmental options, including:
- European Social & Political Studies (ESPS)
- Geography
- History
- School of Slavonic and East European Studies (SSEES)
- European Languages, Culture and Society
- Political Science and International Relations

NOTE: It is very important to work with your IR advisor at Tufts to develop a plan of study, to ensure that you will be fulfilling as many IR requirements as possible.
Parliamentary Internships
Tufts in London currently offers opportunities for 3 to 4 students to register for internships in Parliament. The Internships offer students the possibility of working closely with a British Member of Parliament (MP), during the second term of the academic year. As a pre-requisite, all Parliamentary Interns must take the Contemporary British Politics and Society course, exclusive to Tufts students offered in the first term. Students may take the CBPS class and not take the internship, but not vice versa.

MATHEMATICS
Applicants to the mathematics department should have a minimum 3.5 GPA and “A” grades in all math courses taken at Tufts. It is important to talk to your math advisor at Tufts about courses and course equivalents at UCL.

NATURAL SCIENCES
Due to the structure of the British undergraduate system, there are no equivalents to the introductory natural science courses offered at Tufts. Introductory chemistry at UCL is introductory chemistry for chemists. Don’t plan to satisfy your natural science requirement in London. The UCL biological sciences department does have an excellent range of courses for pre-med students.

COMPLETING THE UCL APPLICATION FORM

Please read all the information in the application packet carefully. Return all completed forms to the Office of Tufts Programs Abroad in Dowling Hall by February 1st.

In addition to the application materials for all Tufts Programs Abroad, each applicant to the Tufts-in-London program at University College London (UCL) is required to submit to the Office of Programs Abroad a completed UCL “Application for Admission as an Affiliate Student” and a UCL “Disability and Ethnic Origin Form.” *Applicants may either complete the included application form in writing or may complete it electronically via www.ucl.ac.uk/prospective-students/study-abroad-guide/application-study/PDF_Documents/UCL_Affiliate_Application_Form.pdf and then print it off (A4 sizing of electronic version may require that you reduce it when printing) and sign it. Most of the form is self-explanatory, but here are a few guidelines. PLEASE REMEMBER TO SIGN AND DATE THE FORM!!!

Item 4: Date of Birth MUST be completed in Day-Month-Year order.

Item 6: Nationality means citizenship (i.e.: American, Canadian), not ethnicity.

Item 10: Correspondence address: c/o Tufts in London, Faraday House, 48-51 Old Gloucester Street, London WC1N 3AE

Item 11: Check “Undergraduate”

Item 12: Check “Full-Time”

Item 13: (a) Enter the name of the department to which you are applying. Your application will be sent to this department.

(b) Enter a second department, if seeking joint admission. Remember that, in so doing, you are committing to at least 2 of your courses in this secondary department. Also, the second department will only review your application after your primary department passes it on. This slows down (but does not jeopardize) your application.

Item 14: Your second choice (back-up) of admitting department(s), should those in Item 12 reject your application.

Item 15: Check “Full Year”

Item 16: September 2016

Item 18: If you are bilingual (e.g. Spanish and English) write: Bi-lingual and give details.

Item 19: Write: “All fees for Tuition/Accommodation will be paid through the Tufts-in-London Office.”

Item 20: Indicate some of the courses that you have selected or may be interested in taking. You are not bound to anything you write here, but it gives the department an idea of your interests and your planning. Note: the selection of advanced courses in Item 20 will be compared against your Tufts transcript to judge whether you have adequate preparation for the course. If in doubt, talk to your advisor at Tufts.

TUFTS IN LONDON, 2017-2018

WHAT IS COVERED BY THE COMPREHENSIVE FEE?

Housing and Living

All Tufts-in-London students get a single room in self-catering student halls of residence, and are integrated with British undergraduates. All residences are within walking distance of the main campus and classrooms. Students can remain in residence between terms (Christmas and Easter breaks).

Tuition and accommodation are paid directly by Tufts. A stipend to cover meals and other expenses (£3750 per year, 2016/2017) is paid directly to students.

Academic

Full enrollment at UCL, SOAS and RHUL. Access to all facilities available to full-time undergraduates. You will be issued a student ID and get a university email account.

Special optional courses for Tufts students in English literature and British Politics. The politics course includes the opportunity (depending on availability) to serve as a Parliamentary intern. Use of the resources of the Tufts-in-London office, including a well stocked library, copier and printing.

Academic advising from Tufts-in-London Director who is well-acquainted with both Tufts and British the universities.

Class trip expenses met by the Program.

All credits and grades appear on Tufts transcript and count towards graduation and honor awards.

Activities

Throughout each session a selection of plays, concerts, operas, group meals and excursions is organized for the Tufts-in-London students and offered free of charge or at a highly subsidized cost.

Subsidized optional day & weekend trips (past trips have included Oxford, York, Stonehenge, Edinburgh and Brighton).

All activities, clubs, societies and sports teams organized at/by UCL/SOAS/RHUL are open to Tufts-in-London students. You will also have access to the broader facilities of the
University of London, of which all three universities are constituent members. Students will receive a Clubs & Societies supplement of around £120 for the year.

**Welfare**

The Tufts-in-London office is centrally located on the UCL campus. It is staffed by the Director and open to the students on weekdays during office hours. Students may come to discuss matters with the Director, borrow books from the TiL Library Collection, and read news magazines and journals over a cup of tea!

A comprehensive orientation program introducing the students to life in London. This includes help with setting up of bank accounts and the purchase of mobile phones.

Students are registered at each of the university health centres, which are staffed by doctors and nurses. All students will automatically be signed up for the Tufts-administered student health insurance plan. You will also receive membership, through Tufts, of *International SOS*, which handles acute emergencies whilst abroad. Full-year students are automatically covered by the British National Health Service (NHS) which guarantees free medical attention at the Health Unit and in hospital. One semester RHUL/SOAS students will rely on their Tufts insurance for coverage.
